## COLLECTORS' CHECKLIST: DVDS

Rather than list endless duplications or re-releases of the same thing, especially public domain material or foreign issues, I have tried to pick the most essential editions.

I have not included compact discs which have, as a "bonus," a DVD (such as the BMG "Centennial Collection" series). Those titles are, more appropriately, listed under "Collectors' Checklist: CDs".

Most titles listed are "Region1," in the so-called "NTSC" format, which can be viewed on DVD players typically sold in the U.S. and its territories, Canada, and Bermuda. (DVDs from "Regions 2-6," which include Europe, Japan, and Australia, are what's called the "PAL" format and are not compatible with U.S. machines.)

## RAY ANTHONY

"Best of the Ray Anthony Show, The" Movies Unlimited [ 2 DVDs ]

"Club Anthony," Aerospace AERO 1004 • with Norvo

"Daddy Long Legs [ 1955 ]," 20th Century Fox Marquee Musicals, 2005 •
